

Wildcat Boys Basketball 2019

Pre-Season Information Sheet

Welcome to the 2019 Basketball Season. The Westview basketball program has two parts: Intramurals and Travel team.

All students are welcome to participate in **intramurals**. We will have a few pre season practices, and then students will be placed onto squads of 11 players and compete in games after school.

The **travel team** is open to any interested 8th grader. There are no tryouts. You need to commit to practices before school. The travel games happen on Wednesday afternoons. There is a district tournament on Saturday, November 9th. 8th graders in the intramural program do not have to participate in the travel team. Travel team players must participate in the intramural program. There is no additional fee for the travel team.
