A STEM FOCUS SCHOOL

ST. VRAIN VALLEY SCHOOLS  
*academic excellence by design*

Families of Westview Middle School:

**Gear Up, Let's Go!**

Today we begin our annual fundraiser. **Why??** The funds raised help purchase much needed items for the students & school! Please support this great cause. Students get to be involved in fun activities and receive cool prizes! This is a great way to encourage reading by our children and in our community. Supporters can renew current subscriptions, purchase new ones, shop products and make donations.

Our goal is for everyone to participate. If we average 3 orders each, our sale will be a huge success. Thank you in advance for your support!
